

STOP RUST!

FOOD FOR THOUGHT

- Arrows on the diagram below indicate the areas and components covered by ValuGard Rust Preventive which the factory does not warrant.
- Be certain you have read and understood the factory anti-corrosion warranty. Only then can you truly make an informed decision!
- The ValuGard Rust Preventive warranty is a lifetime limited warranty. How long does the factory coverage last?
- It is likely that the factory warranty covers only corrosion caused by a defect, and excludes all forms of environmentally caused corrosion. ValuGard Rust Preventive offers warranted protection against environmentally caused corrosion!
