

PRODUCT DATA SHEET

Superior Shine Tire Dressing / VG-430

VOC compliant

Features: *Superior Shine Tire Dressing* is a water based Polydimethylsiloxane high shine dressing for tires.

Benefits: Provides a rich high luster to tires. *Will not stain* painted surfaces or “sling” if properly applied. A detergent resistant multi-purpose dressing for those that prefer a shiny appearance.

Uses: High Shine water based dressing for all types of tires.

Directions: Spray directly onto tire or pour on to a sponge or soft cloth and apply to clean tire to be dressed. Application with ValuGard VG-SG, Sponge (for tires), is ideal for economy and performance. Wipe away any excess dressing after a few minutes using a terry towel or sponge

Tips: For best results make sure that component to be treated is clean and dry. *Superior Shine Tire Dressing* can be applied in multiple coats for more shine.

Sizes:

VG-430P 5 gallon plastic pail
VG-430D 55 gallon plastic drum
